About me

Entrepreneur, content creator, Finance Influencer

Hi, I'm Finance With Sharan. I'm a former management consultant at KPMG and PwC where I worked with banks and NBFCs to help them make a ton of money.

I now work as a full-time content creator and help the common man make a ton of money.

I create engaging personal finance content with a blend of comedic flavor and cosplay on Instagram and YouTube. I also write down highly action oriented posts on LinkedIn and Twitter for those who are not on social media platforms and prefer to read it instead.
